

Hanging star decoration

Polystyrene star

Glitter

Glue

Ribbon

Dress pin

Sticker (for decorating)

Paint brush

1. Glue one side of star
2. Sprinkle glitter over the star
3. Leave to dry
4. Once dry repeat on the other side of star
5. Leave to dry
6. Once dry cut the ribbon to the length you would like the decoration to hang
7. Make a loop with the ribbon, make sure the end over laps
8. Then put pin through the over lapped portion of the loop and pin onto the star.

Tips:

Use the colour end dress pins to attach the ribbon.

Add a loop of bead hang from the bottom of the star.

Paint the star first with a different colour from the glitter you will be using. This gives the star a 2 tone effect.
