1. Fold one sheet of the red papers in half with long ends together.
2. Draw a line across the length of the paper 2cm down from the open end.
3. Draw lines spaced 1.5cm apart from the fold of the page to the horizontal pencil line.
4. While the paper is still folded, cut the vertical lines (the ones that are spaced 1.5cm apart) up to but not over the horizontal line. Carefully unfold the paper.
5. Bring the short ends of the unfolded paper together to form a tube shape.
This is the body of your Santa. Glue or tape the ends together.
6. Using the Santa Template cut the following pieces out: Pink paper: 1 face circle and 2 hands
Red paper: 1 hat From the red paper: 2 strips 1.5cmx 15cm Glue the red hat onto the pink face circle.
7. Glue craft eyes & pom pom onto the pink circle (the face).
8. Glue cotton balls along the edge of the hat for trimming.
9. Also glue one on the end of the hat.
10. Pull 3 cotton balls apart. Glue them onto the face under the pom pom nose to make a beard.
11. Glue assembled face onto the top of the red body.
12. Take the two strips of red paper and fold each of them accordion style.
13. Glue a pink hand to the end of each red arm.
14. Glue the arm onto the sides of Santa's body.
